SIR,

With reference to the Muzrai Secretary's No.1991 dated the 15th November 1910, I have the honour to submit an estimate amounting to Rs 6,638 for the restoration of Belawadi tank in the Chicknagalur Taluk, belonging to the Sringeri Matt.

2. Since the Nagadi-Javagal road passes over the bund, it is but fair that the Government should contribute the cost of works not absolutely necessary for the safety of the bund. This is estimated at Rs 2,240. The balance viz., Rs 4,398 has to be borne by the Matt.

3. The tank was reported to have sustained some damage on the 14th November 1910 on account of heavy rainfall. In order to restore the road traffic, repairs costing Rs 150 were carried out departmentally. I consider that the early restoration of the tank is desirable both in the interests of the Sri Sringeri Matt as well as of the traffic on the road, and I therefore solicit early sanction to the estimate.
